

## **John Street and Griffin Park Toilets to re-open!**

Porthcawl Town Council is pleased to formally announce that John Street and Griffin Park toilets will re-open on Monday 18<sup>th</sup> February 2019.

Porthcawl Town Council understand how important it is to have toilets freely available to all members of the public. We have worked hard to ensure that shopping and visiting Porthcawl town remains a positive experience for all.

The day to day operations of the sites will be undertaken by *Danfo*. Since their appointment as the contractor to run the facilities in late January, Danfo have made positive steps to ensure the toilets are fully functional and open to members of the public on Monday 18<sup>th</sup> February. Both the Town Council and Danfo are excited to work together to deliver the continued service of public conveniences in Porthcawl over the next twelve months.

The long-term security of the toilets will now remain at the forefront of the Town Council's agenda, with ongoing discussions taking place with Bridgend CBC.

Porthcawl Town Council remains committed to providing facilities that the people of Porthcawl want and require and will continue to work to restore 'Pride in Porthcawl.'
