7th February 2020

Porthcawl Community Events

Each year there are a number of events which take place in the town organised by community and voluntary groups. Porthcawl Town Council are keen to see more events organised and are therefore inviting applications from local charity or voluntary groups needing some financial support to make the event a success.

The Council is targeting support for events small or large that reflect our aims: a) benefit residents, business and visitors to Porthcawl b) showcase Porthcawl c) open to public.

This particular fund is not eligible for events which are fund raisers or collect money for onward distribution.

We are particularly interested in receiving early proposals, plans and costings for a Summer and/or a Christmas event 2020 by the required deadline of 7th March 2020.

Further details of how to apply can be obtained from the Interim Town Clerk.

Sarah Watkins
Interim Town Clerk
