

## Highways Consent - Street Furniture

If you are a business considering utilising space on the adopted highway this spring and summer, when Welsh Government restrictions permit, you need to make an application to the councils Highways Team in order to get the necessary permissions in place.

In the first instance please send an email to [businesssupporthighways@bridgend.gov.uk](mailto:businesssupporthighways@bridgend.gov.uk) for an application pack.
